1. What prompted you to see election to the school board?

Have always been community oriented, (40 years
as a volunteer Paramedic in Harford County,

2. Share some examples of your involvement with the public schools in Harford County or elsewhere.

Presently drives school bus with HGPS. As
kids were growing up and in school was
very active in fund raising.

3. What qualifications and/or experience do you have that will help you make a positive contribution to the school board?

Presently am a instructor (MRCB certified)
through the University of Maryland (Maryland
Fire and Rescue Institute. (15 years)

4. If elected, what are three priority issues that you will advocate as a school board member?

① Getting back to basics of teaching students.

② Parental Involvement

③ Community Involvement.

5. Based on your knowledge and perceptions, what are the strengths and weaknesses of HCPS? Are there programs, activities or budgetary items that you would add or eliminate?

Students are not taught the basic skills such as reading - writing - arithmetic. To just pass a student along is not teaching them. The no child left behind I feel has been a failure.

6. Please list three ways parental / community involvement can be utilized effectively in our schools.

Parents need to become involved in child's education. Need to be involved all the time for betterment of all concerned. Don't just get involved when it has a adverse effect on your child.
Discourage community involvement.

7. Please use the space provided below to share any additional information not covered in the previous questions.
